## Notices:

- Gladstone Liquefied Natural Gas (Santos)**      **Supplementary EIS – submissions due 1<sup>st</sup> Feb**

**FEDERAL - EPBC Act**

*All of the information below is drawn directly from the Commonwealth Government's website ([www.environment.gov.au/epbc/index.html](http://www.environment.gov.au/epbc/index.html)) and is provided for information and summary purposes only; EDO-NQ does not warrant or guarantee its accuracy or correctness. In addition, the inclusion of this information in this newsletter should not be taken to indicate that EDO-NQ supports or has otherwise taken a position about the proposals which are the subject of review.*

**1. Referrals open for public comment**

2010/5331	<a href="#">ABF Group Pty Ltd/Residential development/Explorer Drive, South Mission Beach/QLD/Residential Sub-Division</a>	Invitation for Public Comment on Referral	Deadline: 8 Feb 2010
-----------	--	---	----------------------

Subdivision of 4.053 hectares and clearing of 0.713 hectares to develop eight residential building envelope lots and one balance common property lot. Located in close proximity to the Great Barrier Reef and the Wet Tropics World Heritage Areas, potential habitat for 12 threatened fauna species and 8 terrestrial migratory species. The referral concluded that the proposed action should not be found to be a controlled action.

*A proposed action that has been referred under the EPBC Act may be declared by Queensland's Coordinator-General to be a "state significant project" under the State Development and Public Works Organisation Act 1971 (Qld) and an Environmental Impact Statement may be required by the Queensland Government under that Act. The Commonwealth and Queensland Governments have entered into a Bilateral Agreement which allows Queensland to carry out the Commonwealth's environmental assessments in certain circumstances. The community are entitled to make submissions in relation to the environmental assessments, whether at Commonwealth or Queensland level.*

*All of the information below is drawn directly from the Queensland Government's website ([www.dip.qld.gov.au/projects](http://www.dip.qld.gov.au/projects)) and is provided for information and summary purposes only; EDO-NQ does not warrant or guarantee its accuracy or correctness. In addition, the inclusion of this information in this newsletter should not be taken to indicate that EDO-NQ supports or has otherwise taken a position about the proposals which are the subject of review.*

## **STATE PROJECTS**

### **1. Significant Projects in Northern Queensland**

#### **Gladstone Liquefied Natural Gas (Santos) – submissions due 1<sup>st</sup> February**

The project proposal to develop a liquefied natural gas (LNG) export facility at Gladstone and involves extraction of coal seam gas from fields around Roma, Emerald, Injune and Taroom and includes a gas transmission pipeline, an LNG facility on Curtis Island and associated infrastructure.

A Supplementary Environmental Impact Statement is available for public comment until 5.00pm Monday 1<sup>st</sup> February and can be accessed on the project website at <http://www.glng.com>. Further information is available on the DIP [website](#).

Regards,
