EDO Alert! Climate Change Rally 3rd December!

15 November 2004

Dear members and Bulletin recipients,

Join the Queensland Conservation Council on Saturday 3 December 2005 from 1pm in King George Square for a "Walk Against Warming" rally, to demand that Australia and the United States ratify the Kyoto Protocol and commit to a clean energy future. This event will allow everyone to add their voice to the call for the Federal Government to take a strong stance against climate change.

The Walk Against Warming is being organised around an International Day of Climate Change Action. The rally coincides with the first meeting of the 154 signatories to the Kyoto Protocol at the Climate Talks in Montreal, and walks will also be taking place in Sydney, Melbourne, Adelaide, Canberra and Cairns.

Be sure to bring a "brollie" to signify Australia getting under the Kyoto Protocol umbrella! There will also be prizes for the most creative Kyoto-Umbrella. The rally will end at Musgrave Park for entertainment and a BYO picnic. Be sure to bring family and friends for a great day out campaigning for our future!

Remember to do your bit to combat global warming by walking or catching public transport to the rally.

For more information or to get involved contact QCC on 3221 0188, or access the Walk Against Warming website at www.walkagainstawarming.org. A similar event will also be held in Cairns. Contact CAFNEC on 4032 1746 for more details.

Hope to see you all at the rally!

EDO Queensland

P.S. Don't forget the Greenhouse Test Case EDO NQ is running- see November EDO Bulletin.
