EDO Alert! Review of the Integrated Planning Act EDO Feedback Submission on our website

We have been fighting hard to tell the government that the community and the environment need to be heard in the current review of the *Integrated Planning Act 1997*.

Now we need **you** to back us up. Please take a moment to either:

- Complete the DLGPSR online form at www.ipa.qld.gov.au; or
- Print out the EDO pro forma feedback form at <http://www.edo.org.au/edoqld/edoqld/new/IPAform231006.pdf>, add your comments, and send to DLGPSR:
IPA Feedback, Reply Paid 15031, City East Q 4002.

Submissions close 3 November 2006.

The DLGPSR released a discussion paper outlining its proposed amendments to IPA and provided a feedback form so that everyone can have a say. See the links in the Law Reform section of our website www.edo.org.au/edoqld or visit www.ipa.qld.gov.au

If you do not have the time to respond in detail to the government's IPA review proposals, we encourage you to use the EDO pro-forma feedback form. A copy of our completed feedback form is now available on our website at:
<http://www.edo.org.au/edoqld/edoqld/new/IPAform231006.pdf>

The completed form shows the EDO response in brief. For example we strongly support the introduction of an EIS process, but submit that it should be introduced ASAP, rather than in the long-term. You can print out the form and add or change anything that you feel should be addressed.

The feedback form is a brief response only. EDO (QLD), in conjunction with EDO North Queensland and Queensland Conservation will be lodging a full and detailed submission, addressing each of the government's proposals and raising further measures to improve environmental protection. A copy of the full submission will be available on our website closer to 3 November 2006.

If you have any queries, please contact Anita O'Hart at aohart@edo.org.au or phone 3289 7991.
